Chamber Chatter

By IRENE GROVE

It's back to school for Albany . . . our best to all members of the Albany School System during this hectic time of enrolling, orientating these most important Albany citizens . . . our city's investment in the future.

It was a real treat for the Chamber members and business men to welcome and entertain the twelve new teachers in Albany at the luncheon in their honor last Wednesday. Main comment was that the teachers get more attractive every year.

Remember Albany's United Crusade Drive begins September 19 . . . It is up to every one of us to dig just a little deeper to provide the additional funds for the services of those agencies that play such an important part in the welfare of us all. If you want to know those agencies better, watch for the beginning of a series of "Know your United Crusade Agencies" beginning next week.

This is an exciting "Bargain Week" for Albany shoppers. Big sales are in progress by your Albany merchants.

Sam's Pharmacy, 1183 Solano Avenue, is celebrating the opening of their newly decorated store with some special features . . . The sale that began Monday, September 12 will continue and include Sunday, September 18, offers real savings of over 70 items marked one-third to one-half off original price . . . Dont' miss this event. Over $500 in gifts will be given away, one every hour on the hour. When the bell rings, you may be the lucky customer . . . balloons for the kiddies too.

More balloons for the youngsters at Flowerland Nursery, 1330 Solano Ave., It's Circus Time and the big top, complete with prizes, clowns, balloons and gifts is the theme for Flowerland's Annual Open House and special value event, Friday, Saturday and Sunday, September 16, 17, 18.

Girls, here is the chance to add to your wardrobe now from the special sale selection of attractive garments at Pursell's, 1111 Solano Avenue, during their sixth anniversary Sale, Thursday, Friday and Saturday, September 15, 16 and 17.

Need tires for your car and want to save money too? Then stop into Browning Tire Company, 638 San Pablo Avenue. The event is Firestone's 60th Anniversary Sale.

Tired and out of condition from all that shopping? Albany is still the place to go . . . Albany has a new business, one of the most modern and up to date health studios . . . The Trim and Swim Health System at 1133 Solano Avenue, which will open in about two weeks. There will be swimming facilities, complete body conditioning and figure correction programs and facilities, including equipment and steam baths. Added feature is the self defense program for men, women and children. Best wishes for success and welcome to local managers Mark Evans and Renie Trammel. Speaking of values, stop by and check into their special pre-opening rates.

Albany Witnesses Back From Three Day Assembly

A delegation of Jehovah's Witnesses from Albany returned Sunday, September 4 from a three-day Circuit Assembly at the Oakland Exposition Building, announced C. R. Penry, local minister of the Albany and Berkeley Congregation of Jehovah's Witnesses.

The theme of the entire assembly was "Seek Peace and Pursue It." The three-day program included Bible talks, discussions and demonstrations of the most effective methods of teaching Bible truths, and showing the hope for world peace under the rule of God's Kingdom, as promised by God's Word.

An ordination ceremony was attended by 1230 persons Saturday afternoon, and services were concluded with the baptism of 49 new ministers at the nearby Moose Club Pool.

Mr. Penry stated that over 2000 Witnesses from 22 East Bay congregations, who were delegates, will resume meetings at their local congregations.

Each adult attending will receive a gift and, in addition, there will be hundreds of free prizes. The nursery will be decorated like a "big top" and costumed girls will distribute candy, balloons and popcorn to all the children.

It will be fun to shop in this circus atmosphere for another reason too. Prices are really low and the quality nursery stock is the kind right to plant right now.

JEROME BLANK REALTY

YOU CAN GAMBLE IN RENO!

But when it comes to buying a new home, you can take the guesswork and the risk out of the sale of your present home by using the Jerome Blank Realty "Guaranteed Sale Plan." Here's how the Plan works:

1. You call Jerome Blank Realty, explain to our sales representative what kind of a home you are seeking, and in what location.

2. Out of our selection of over 600 exclusive and multiple listings, we will find you a desirable home, anywhere from Oakland north to Pinole.

3. Before you enter a contract to buy, we appraise your present home, and give you a written guarantee of the price at which your home will sell within a 90 day period.

4. If you desire to move into your new home prior to the sale of your present home, we advance the necessary funds to complete the transaction, and these are repaid on the sale of your home at the guaranteed price.

5. Under this plan, you positively know in advance exactly how much you will receive for your present home, and the exact amount of loan and monthly payments you need for your new home. Under our plan you cannot be caught short by your home not selling, or by an unexpected difficulty in financing. You know everything in advance!

6. The plan works the same whether you are selling a small home and buying a larger, or in reverse. Also whether you are buying an apartment house or a residence.

VARIATIONS OF THE PLAN

1. If you are moving to another part of California, as for instance, Los Angeles, San Diego, Sacramento, etc., you can use our Guaranteed Sale Plan, or work out a direct Exchange. Through our membership in the California Real Estate Association Statewide Exchange, we have members in every part of California with whom we can work to exchange property in the East Bay for the area where you are going.

2. If you are simply selling and not buying other properties, and cannot wait the 90 day period under the Guaranteed Sale Plan, we have a straight cash-out plan, in which you will receive cash for your equity within 10 working days.

These Are Changing Times
Business and industry are using new techniques. Our office believes that the Real Estate industry must keep pace with modern merchandising methods. Whatever your real estate problem be, we believe we can help you to solve it. For buying or selling, call Jerome Blank Realty for prompt, efficient and sincere service.

NOTICE is hereby given that on the 22nd day of August, 1960, the Council of the City of Albany duly passed and adopted Resolution No. 60-78, and that said Resolution contains proposed amendments to the Charter of the City of Albany to be submitted to the electors of the City of Albany at the General Statewide Election to be held on the 8th day of November, 1960, and that the said Resolution is as follows:

RESOLUTION NO. 60-78

A RESOLUTION OF THE COUNCIL OF THE CITY OF ALBANY PROVIDING THAT CERTAIN PROPOSALS TO AMEND THE CHARTER OF THE CITY OF ALBANY BE SUBMITTED TO A VOTE OF THE QUALIFIED ELECTORS OF SAID CITY.

THE COUNCIL OF THE CITY OF ALBANY DOES RESOLVE AS FOLLOWS:

That the following proposals for the amendment of the Charter of the City of Albany be submitted to the electors of the City of Albany for their approval or rejection at the next general statewide election to be held on the 8th day of November, 1960, said proposed amendments being as follows, to wit:

PROPOSED CHARTER AMENDMENT NO. 1

That Section 49, Paragraph (g) of the Charter of the City of Albany be amended to read as follows:

(g) Appointments or promotions to employment or rank shall not be deemed complete until a period of probation not to exceed one (1) year has elapsed. Successive temporary appointments shall not be allowed. In the event of temporary promotion to higher rank, the appointee may be reduced by the Chief of the Fire Department or the Chief of the Police Department to the next lower rank in the classified service of the said department and in the event that such appointee is in the lowest grade of the classified service, such appointee may be discharged by the Chief of the Department. Each Chief shall only have power over his own department members.

PROPOSED CHARTER AMENDMENT NO. 2

That Section 50, Paragraph (d) of the Charter of the City of Albany be amended to read as follows:

(d) **Physical disability; Restoration.** Whenever any person, while serving as a member of the Fire or Police Department of the City of Albany, shall become physically disabled by reason of any bodily injury received in the immediate or direct performance or discharge of his duty as such member of the Police or Fire Department, said board may, if it deems it to be for the good of said Police or Fire Department, retire such person from said department, and order and direct that he shall be paid from said fund, during his incapacity, a yearly pension equal to one-half (½) of the amount of salary attached to the rank which he may have held on such Police or Fire Department at the date of such retirement; provided, that when such disability shall cease, such pension shall cease, and such person shall be restored to active service at the same rank at which he was retired. Upon the death of such person then on disability pension, the widow and/or children of the deceased member of the Police or Fire Department shall receive the same benefits from the Fire or Police relief or pension fund as provided in Paragraph (q) of Section 50 of the Charter of the City of Albany.

Excepting, nevertheless, that any member of the Police or Fire Department who, for any reason whatever ceases to be a member of said Police or Fire Department, and who at the time of said cessation is not otherwise entitled to financial benefits under this law, shall be entitled to, and shall be paid within ninety (90) days after such cessation of being a member, all sums of money retained from and out of his salary as provided by Subsection (1) of this law, together with 3½ percent per annum interest on such sums, computed from the 1st day of July of each year. Specialist On Teenagers To Address P.T.A.

Arthur Roth, M.D., pioneer in the new medical specialty of "Aphebiatrice" — teen age medicine, will be guest speaker at the Albany High School PTA meeting, Tuesday, September 20 at 7:45 sharp in the school cafeteria.

Dr. Roth, founder and director of one of the first clinics devoted solely to the treatment of teenagers at Kaiser Foundation Hospital, Oakland, will talk on "Focus On The Teen Age Years". Questions of general interest will be encouraged, specificially discussed and answered. Author of a recently published book, "The Ten Age Years — a medical guide for young people and their parents", he will cover their social, emotional and physical problems.

His book will be on display too, at the meeting. Because of the PTA Book Fair to be held in the Spring, each monthly PTA meeting will feature a book or a periodical related to the program topic.

Twelfth grade representatives, Mrs. William McGimpsey and Mrs. Orville Hendricksen, will be in charge of the refreshments furnished by mothers of twelfth graders.

Letter to Editor

September 8, 1960

Editor, Albany Times:

I wish to approve of Mrs. Zahn's appointment of Mr. P. R. Boyich to the City Council.

Mrs. Zahn has stood up for the old aged people, against higher taxes, and against the new buildings which we do not need.

I am, as a taxpayer and a citizen of some 69 years in this area, against higher taxes and against any tax for new buildings of any kind no matter who is in the city government.

Mrs. Zahn has the right idea as to the repair of these buildings which could be taken care of without raising taxes.

The older people of this city cannot afford a raise at this time.
